London, Aug. 18.—The fortune left by Lord Northeliffe is estimated to be from five to ulne million pounds, but will have been probated. Lord Rothermere, brother of the late publisher, is supposed to be chief executor.

There is much speculation as fo Lord Northeliffe's disposition of his stock in the London Times. One report says that it was bis idea to leave his common stock in the Lord Rosebury as trustee.

Another rumor is that the Times hold:

Lord Rosebury as trustee.

Lord Rothermere, brother of the late publisher, is supposed to be chief executor.
